COMPRENDIUM OF INSTRUCTIONS
ON
SCHEME OF ASSISTANCE
TO
NATIONAL SPORTS FEDERATIONS
(Volume-II)
(Incorporating instructions issued from August, 2014 to January, 2016)

Compiled by
A.K.Patro, Under Secretary
PREFACE

In the interest of transparency, good governance and better service to stakeholders, instructions issued by the Department of Sports were compiled into a compendium and was placed on the website of the Ministry. The compendium contained instructions / decisions of the Ministry relating to NSFs issued till August, 2014.

Subsequently a large number of decisions have been taken by the Ministry in the matter. In order to make such information available to all the stakeholders another such compendium, containing the instructions upto January, 2016, has been prepared and is being placed on the website of the Ministry for guidance of the stakeholders.

A subject-wise index of rules and orders has been added for easy reference by the users. It is hoped that this compilation would serve as a single point reference book for the stakeholders and save their precious time in obtaining information.

Suggestions for improvement and rectification of errors and omissions will be gratefully accepted.

Subject: Instructions for curbing the tendency amongst sportspersons for giving preference to playing in prize money tournaments rather in tournaments where India participates for medals rather than cash awards

Sir,

I am directed to invite reference to this Department’s letter of even number dated 18.7.2013 (copy enclosed) vide which instructions were issued to all recognized National Sports Federations (NSFs) to the effect that individual players will be able to avail grants given to NSFs by the Ministry only if they undertake to play in the Indian team when called upon to do so without reservations and if there are specific exigencies because of which they are unable to play, this should be verified by the concerned NSF which thereupon can make an exception at their discretion.

2. However, it was noticed, while finalizing the Indian contingent for the Incheon Asian Games 2014, that senior and rank holding sportspersons of some sports disciplines decided to pull out, preferring to play in prize money tournaments instead of participating in the Asian Games giving the impression that such sportspersons do not take these sports competitions seriously. Multi-sports events are held once in 4 years and the nation takes pride in the number of medals won in these prestigious sports events.

3. Therefore, it is again reiterated and made clear to all recognized National Sports Federations that individual players will be able to avail grants given to NSFs by the Ministry only if they undertake to play in the Indian team when called upon to do so without reservations. If there are specific exigencies because of which they are unable to play, this should be verified by the concerned NSF which thereupon can make an exception at their discretion.

4. It is also informed that such sportspersons, who decide not to take part in international tournaments including multi-disciplinary sports events where India as a team participates for

Subject: Forwarding Proposals for Special Cash Awards to Medal Winning Sportspersons and their coaches in international sports events -reg.

Sirs Madams,

The issue of late submission of cases of cash awards to medal winning sportspersons and their coaches by some NSFs has been drawing the attention of this Ministry for quite some time. In order to ensure that such delay does not take place, it has been decided that all the National Sports Federations must send the recommendations for Cash Awards to Sportspersons and their coaches in respect of medals won in a calendar year (ending on 31st December) to the Ministry by 31st March of the next year. Any delay in submission of recommendations will be adversely viewed during evaluation of NSFs' performance. The application for cash award may also be submitted directly by the medal winning sportsperson and his/her coach/coaches to the concerned National Sports Federation with a copy to the Ministry and Sports Authority of India. If the Ministry does not receive recommendations' application within this period, the claim for cash award for the sportsperson and coaches may be forfeited. It has also been decided that it will be mandatory for all the National Sports Federations to get the requisite proforma signed by the sportsperson (or his coaches) who have trained the sportspersons (or his coaches) before they proceed to take part in an international event. If no proforma is signed and submitted, the Ministry may withdraw the permission for defaulting players' participation in the respective event. Also, if the name of a coach does not figure in the proforma, he/she may not be considered for cash award subsequently.

The recommendations/applications may be sent to this Ministry with a copy to SAI. A copy of the revised proforma of application is enclosed.

This issues with the approval of Hon'ble Minister of State (I/C), Ministry of Youth Affairs & Sports.

Yours faithfully,

The Secretary General,
Indian Olympic Association

The Secretary General
All recognized National Sports Federation.

Sub:- Categorization of sports disciplines - regarding.

Sir/Madam,

The categorization of various Sports disciplines is reviewed after each Olympic Games and the Asian Games with respect to their performance in these Games. The last such review was done in April 2008. Now that the Olympics 2012 and the Asian Games 2014 are over, there is a need to review the category of various Sports disciplines in order to make them eligible for assistance based on their performance.

2. The matter has been deliberated at length with various stakeholders. It has been noticed that the guidelines for Assistance to National Sports Federations (NSFs) were formulated in 2001 vide Order No.6-6/94-SP.III, dated 14.8.2001 with a view to providing financial assistance to the NSFs, recognized by the Ministry of Youth Affairs and Sports. Though, certain financial and physical ceilings under the Scheme of Assistance to NSFs were revised vide circular No.8-53/2010-SP.III, dated 10.6.2011, a lot of developments/changes have taken place subsequently and the entire sports eco-system has changed with corporate houses spending/sponsoring funds for various activities such as holding international tournaments, training of top athletes, organizing prize money events etc. Also, the Govt. has made provisions in the Companies Act, 2013 which facilitates the corporate houses to spend money from their Corporate Social Responsibility (CSR) funds for the sports activities such as training to promote rural sports, recognized sports, Paralympics sports and Olympic sports etc.

3. With the aforesaid and other developments that have taken place internationally, it has also been felt that the National Sports Federations (NSFs) should not exclusively look at the Govt. for funding of their entire activities. The NSFs are required to tap other sources of funds to finance their operations and financial support from the Govt. should only be supplemental in nature. In the new environment the Scheme of Assistance to NSFs needs to be operated as a top-up scheme of the Govt. for funding the short fall for important events such as Olympics, Asian Games, CWG, international ranking tournaments, the events which have a long traditional history and internationally important events of major disciplines where the country has been doing well etc.
4. Keeping in view the above factors and with a view to optimally utilize limited budget under the Scheme of Assistance to NSFs it has been decided that while the existing category of sports disciplines be retained, the sports disciplines in which medals have been won in Olympics, Asian Games, Commonwealth Games and World Championships need to be incentivized and a new category viz. “High Priority” has been introduced. After due deliberation it has been decided to place the recognized sports disciplines in the following categories:

(i) **High Priority** – The sports disciplines played in the Olympic Games and in which India have won medals in last conducted Asian Games as well as at CWG or in which India has good chance of winning medals in Olympics.

(ii) **Priority** – The sports disciplines covered under any of the following criteria:

a. Popular mass games in India.

b. Disciplines in which India has won medals in the last conducted Asian Games/CWG.

c. Sports disciplines for sections requiring special attention viz. differently-abled, mentally challenged, hearing / visually impaired, school games, etc.

d. Sports disciplines included in any of the mega events such as Olympics, Asian Games, Commonwealth Games and in which India has secured upto 6th place in individual events and upto 8th place in team events.

(iii) **Others** - All other sports disciplines not covered in the above categories.

5. Based on above, the categorization has been workout and the revised category of sports disciplines is as under:

Shastri Bhawan, New Delhi-110001  
Dated the 4th November, 2015

Subject: Revision of the scale of assistance under the Scheme of Assistance to National Sports Federation-reg.

******

The guidelines for Assistance to National Sports Federations (NSFs) were formulated in 2001 vide Order No.6-6/94-SP.III, dated 14.8.2001 with a view to providing financial assistance to the NSFs, recognized by the Ministry of Youth Affairs & Sports. These guidelines also contained various instructions relating to functioning of NSFs, their recognition by the Ministry, good governance practices, anti-doping measures and categorization of sports disciplines, etc. The instructions were revised/amended from time to time. In the year 2011, the Ministry decided to amalgamate all the instructions into one comprehensive Code, viz. National Sports Development Code of India 2011, which came into effect from 31.1.2011.

2. Financial ceilings under the Scheme of Assistance to NSFs were revised vide circular No.8-53/2010-SP.III, dated 10.6.2011. Since then, a lot of developments/changes have taken place and the entire sports eco-system has changed with the entry of a large number of corporate houses into the sports sector. These corporate houses are extending financial support to various sports activities such as holding of international tournaments, training of top athletes, organization of prize money events etc. Also, the Govt. has made provisions in the Companies Act, 2013 to enable the corporate houses to spend money from their Corporate Social Responsibility (CSR) funds for sports activities. Various sports activities such as training to promote rural sports, recognized sports, paralympic sports and Olympic sports have been included in Schedule 7 of the Companies Act, 2013. Therefore, NSFs are expected to approach the corporate houses for resources under the CSR rather than solely depending on Govt. funding.

3. In view of the aforesaid developments and significant investment that needs to be made to achieve excellence in sports, it is necessary that the NSFs do not look at the Govt. for funding of all their activities. The NSFs are required to raise their own resources as well to finance their operations. The financial support available under the Scheme is only supplemental in nature.

4. Keeping in view the above factors and with a view to catering to the changing needs of sportspersons, it has been decided to introduce certain new components and revise the financial assistance for various existing components, given by the Ministry to the recognized NSFs, under the Scheme of Assistance to the National Sports Federations with the following objectives:

- To ensure that NSFs organize important national and international sports events in the country.

- To ensure that sportspersons receive desired support through NSFs for training, competition exposure, sports science and sports medicine support, etc., required to achieve excellence.

- To help NSFs achieve professional competence in management of sports.
- To streamline the flow of funds to NSFs.

The ultimate objective is to ensure that sportspersons from the country get the opportunities and environment to realize their full potential so that India can achieve its due place in sports in the comity of nations.

The norms for extending assistance under the Scheme of Assistance to NSFs will be as follows:

Sub: Issuance of NOC by MYAS for participation of Indian teams/athletes for the events held abroad.

Sir,

Presently this Ministry grants No Objection (NOC) from the sports angle for holding of various international sports events held in India and for participation of Indian athletes/teams in various international sporting events abroad. The requests for such clearance is received from various organizations such as National Sports Federations recognized by MYAS, voluntary organizations, State Governments, other sports bodies, etc. For various international teams visiting India, NOC of this Ministry from sports angle is required to be given as per the provision of visa manual of M.H.A so that Indian Missions may issue visas to the foreign sportspersons and officials participating in such events. However, this Ministry is of the view that for participation of Indian teams and sportspersons in various international events held abroad, NOC of MYAS is not necessary as it has nothing to do with the visa process.

2. In so far as SAI is concerned, they issue clearance for sending of teams abroad at cost basis. It may be informed whether any clearance from MEA is obtained in these cases. If so, the details alongwith a copy of relevant instructions on the subject may be furnished.

3. The views may also be conveyed whether it would be in interest of efficiency if this activity is dispensed with.

A reply may be sent on Priority Basis.

Sub:- Sending of Delegates by Indian Olympic Association and the National Sports Federations (NSFs) at their cost for the events held abroad.

Sir,

It has come to the notice of this Ministry that some of the NSFs are sending delegates, in addition to the officials and support personnel who are part of the official contingent, for various sports events held abroad. It has also been reported that they are paying boarding / lodging charges, dearness allowances etc. to such delegates at a rate much higher than the entitlements of the athletes. Such extravagance invites criticism and brings bad name to sports. This also raises doubts whether the concerned NSFs which can spend in such a lavish manner really need Government support. The matter has been considered in this Ministry and it has been decided to advise IOA and NSFs as follows:-

(i) The number of delegates sent by NSFs should not exceed one third of the number of athletes sent to the event for their disciplines subject to a maximum of 3 (three).

(ii) Wherever possible, the delegates should avail the facilities provided by the organizers. In case such facility is not available, cheapest possible arrangements for boarding/lodging should be made by the IOA or the NSFs, as the case may be. However, the entitlement for travel, accommodation, DA etc. should not exceed the entitlement of a Joint Secretary level officer of the Government of India in case of office-bearers of the IOA/NSFs and of a Deputy Secretary level officer for other delegates.

(iii) The IOA and the NSFs should also place on their websites the complete details of delegates who were sent to the event along with the expenditure incurred on their air fare, boarding and lodging, local transportation, daily allowance, etc.

Sub: Intimation to Indian Missions/Posts abroad before undertaking any tour for participation in sports events abroad.

Sir,

It has been brought to the notice of this Ministry by some Indian Missions abroad that Indian sports teams participating in international events abroad do not inform the Indian Mission in the host country well in advance regarding the details of their visit. Keeping in view the political situation prevailing in various countries, such advance intimation is absolutely essential.

2. In view of above, all the NSFs are hereby requested to ensure that the Indian Missions in the countries they propose to visit for various sporting/training events, are invariably informed well in advance so that they could sensitize local authorities accordingly for security arrangements, etc. Complete information such as date of arrival & departure, list of participants along with their details and complete details of accompanying officials & support personnel etc. should be made available to the concerned Indian mission/post abroad by the NSFs & the IOA.

3. This should also be brought to the notice of the affiliated State Associations/Units/Clubs etc., for strict compliance, by the NSFs & the IOA.

Sub: Information to be hosted mandatorily by IOA & NSFs on their website – reg.

Sir,

Reference is invited to this Ministry’s letter No. 9-69/2009-SP.I dated 29th November, 2010 and letter No. 8-20/2014-SP-III dated 15th October, 2014 wherein IOA and NSFs were asked to furnish the information to this office and to suo-moto disclose their various activities carried out by them. All these instructions have also been made part of the National Sports Development Code of India, 2011 (copies enclosed).

2. It has been noticed that although some of the NSFs are furnishing the required information to this office, it is not available on the websites of many NSFs and hence is not available to general public and stakeholders.

3. In a recent case of Badminton Association of India vs. Union of India, the Hon’ble High Court of Delhi has taken a serious view about non furnishing of information under RTI Act by the NSFs. Hence the court has passed an order dated 24th December, 2014 in W.P.(C) No. 9318/2014 stating, inter alia, that this would be an appropriate case where Government of India should examine the manner in which the NSF is functioning.

4. Therefore, in order to reduce the paper work of NSFs while making the information available to stakeholders regarding the functioning of NSFs and IOA it has been decided that henceforth the information as per the enclosed list shall be uploaded on the website of IOA and the respective NSFs.

5. All these information should be made available on the website latest by 1.4.2015. Further, the website must be updated by IOA & NSFs as frequently as possible and at least once in a fortnight.

6. Vide order No.8-20/2014-SP-III dated 15.10.2014 it was informed that the NSFs shall post their audited accounts and the Balance Sheet of the previous year by 30th June of the current year. It was brought to the notice of this Ministry that finalisation of audited
accounts and balance sheet takes time and it is not possible to post the same on the website by 30th June. In view of this, it has been decided that the annual accounts of the previous financial year should be posted by the IOA & NSFs during the current year as soon as it is finalised but latest by 31st December of the current year.

7. Consolidated list of information to be uploaded on the website of IOA & NSFs is enclosed.

8. It is also informed that annual recognition for the year 2015 may be reviewed in case the above instructions are not complied with by 1.4. 2015.

9. This issues with the approval of Secretary (Sports).

Subject: Formulation of selection criteria for sportspersons/teams for participation in international sports events

Sir,

I am directed to say that the issue of formulation of selection criteria for sportspersons/teams for participation in international sports events has been engaging the attention of the Government. After careful consideration of the issue, it has been decided that for participation in multi-disciplinary sports events such as Olympic Games, Winter Olympics, Asian Games, Commonwealth Games, Asian Indoor Games, Asian Beach Games, Youth Olympics, Asian Youth Games, Commonwealth Youth Games, Paralympics and Para-Asian Games, the performance of the sportspersons

i) In the individual events during the last twelve months prior to commencement of the event should not be less than the performance achieved by the 6th position holder of the previous edition of the respective tournament in measurable sports.

ii) For team events, only those teams which have achieved ranking upto 8th among participating countries of the concerned tournaments in the last one year should be considered for participation in the respective tournaments.

iii) In non-measurable individual sports, the sportspersons must have achieved 6th rank in the last 12 months. In the sports events, where rankings are not maintained or where sportspersons have not been able to improve their ranking on account of reasons like lack of exposure in international tournaments, appropriate criteria may be adopted by the National Sports Federation (NSF) in consultation with this Ministry. In the sports competitions, where the number of participants is limited, stricter norms of selection will be prescribed.

-- 54 --
2. On the issue of participation of sportspersons at no cost to government, only the sportspersons, coaches and support staff approved by the Ministry and Sports Authority of India (SAI) will be part of the contingent for the events cleared at cost to the government and no additional sportspersons, coach and support staff will be included even at no cost to government in such sports competitions.

3. The selection criteria will be applicable for multi-disciplinary international sports events irrespective of whether the participation of Indian contingent has been cleared at cost to the Government or at no cost to the Government.

4. IOA is also requested to formulate guidelines for inclusion of support personnel such as coaches, physiotherapists, doctors, masseurs, managers and contingent officials. IOA and SAI should ensure that only those support personnel are considered for Indian contingents who have worked with the sportspersons in camps or have the necessary credentials and experience and are eligible as per the rules and guidelines of the International Olympic Committee (IOC)/Olympic Council of Asia (OCA)/Organizing Committees of the Games/respective International Federations.

The President & General Secretary/Secretary General,
to all Recognised National Sports Federations (NSFs)

Sub:- Guidelines for providing Sports Infrastructure/facilities to players & officials during the national championships & international tournaments held in India.

Sir,

The Ministry is implementing the Scheme of “Assistance to National Sports Federations” through Sports Authority of India (SAI), under which, assistance is provided to the recognised National Sports Federations (NSFs) for conducting various championships in India, participation of Indian teams in international championships abroad, conducting coaching camps for the national team, engagement of foreign coaches etc.

2. As per the existing guidelines of the Government, it is mandatory for all National Sports Federations to conduct National Championships every year for Senior (Men & Women), Junior (Boys & Girls) and Sub-Junior (Boys & Girls) categories. Some NSFs are also conducting zonal championships and international tournaments in India. It is incumbent upon the NSFs to conduct the championships in India by drawing the calendar of events, well in advance, so that such championships can be conducted smoothly and efficiently.

3. From time to time, this Ministry has been receiving complaints from various quarters that the basic minimum facilities are not provided to sportspersons during the various championships/tournaments conducted by NSFs. The primary responsibility for organizing the events rests with the NSFs. It is incumbent upon them to take all measures for smooth conduct of the championships with a vision to empower the athletes to reach their optimum potential.

4. All NSFs are therefore directed to adopt the following measures for organizing tournaments, as the responsibility lies on NSFs for their organization, supervision and conduct in every aspect:

**Playing Arena:**

i. The tournaments/championships should be held in such stadia, indoor halls etc which are easily accessible to the athletes. In case, the event is for differently abled athletes, the facilities should be disabled-friendly and all the basic facilities should be available for sportspersons.

ii. The representatives of all the NSFs should reach the venue of championship at least two days before the event to ensure that all the facilities are in place.

Contd...
iii. Proper resting place should be arranged so that the athletes can rest during the break time.

iv. Clean drinking water should be arranged.

v. Arrangement for tea/coffee and snacks should be made.

vi. Neat and clean toilets including disabled friendly toilets should also be provided in sufficient numbers.

vii. Separate change rooms for boys and girls should be provided.

Residential Area:

i. NSFs should ensure that neat and clean lodging facilities, adequately equipped with toilets including disabled friendly toilets and purified drinking water are available.

ii. The rooms should be airy with proper light and fans (wherever possible ACs/coolers may be provided).

iii. The accommodation to be provided to the players should not be over-crowded. Preferably, two to three players/officials should be accommodated in one room depending upon the size of each room.

iv. Bedding with neat and clean linen should be provided to the players/officials.

v. Hygienic and healthy food should be provided to the players/officials preferably in disposable plates and glasses.

Common Provisions:

i. Proper transport facilities for the players/officials from the place of stay to the venue of championship should be ensured to enable the players to reach the venue well in time.

ii. Players' Grievance Cell should be created and notified by NSFs before the start of each championship so that any complaint from players could be attended to on top-priority basis, keeping in view the interest of sportspersons.

iii. Responsible officials should be designated to remain available for the entire duration of the events so that the players can approach them for their needs. Their contact details including e-mail I.D. and mobile numbers should be available on the website of the NSF and displayed prominently at the venue.

iv. First aid facilities should be kept ready at all times.
5. The compliance of the above guidelines is mandatory and forms part of National Sports Development Code of India, 2011 (NSDCI).

6. This issues with the approval of Secretary (Sports).

Subject: Instructions to sports bodies to seek approval of the Government for organizing/participating in sports events – reg.

Kindly refer to this Ministry letter No.9-49/2009-SP-I dated 18th August, 2009 and subsequent order dated 19th October, 2015 (copies enclosed) whereby National Sports Federations have been advised to submit their proposals for conducting and participating in national/international sports competitions.

2. Ministry has time and again advised sport bodies to seek approval of the Government well in advance and ensure timely and proper conduct of the events in all categories. These instructions have also been made part of the National Sports Development Code of India, 2011.

3. However, it has been noticed that such proposals are sent by organizations at the last minute leaving no time for the Department to complete the procedure.

4. It is therefore once again intimated to all concerned that the proposals for seeking approval of the government for various sporting events should be sought well in advance i.e. at least 90 days prior to the commencing of the event.

This has the approval of Secretary (Sports).

CIRCULAR

Subject:-Request from Sports bodies for issuing of NOC for organizing sports event in India-matter regarding.

From time to time, this Ministry receives proposals from various bodies such as recognized National Sports Federations, state Government and other sports bodies seeking approval/NOC for participation of teams/athletes in sports tournaments held in India.

Such proposals are required to be submitted for approval of Competent authority from sports angle after verifying the facts, obtaining NOC from the local authorities where the event is held etc. Hence it is essential that the concerned organization should submit the proposal well in time and at least 90 days in advance. Often such cases are sent by the organizations at the last minute leaving no time for the Department to complete the procedure.

1. Director (V.K) (S.P.H) (R.D.C)
2. US (AKP) US (SPS) & US (VK)
3. SO, SP-II, III, IV, V & VI
4. Sh. Rakesh Kumar, US (Gen) with the request to place the circular in the web-site of the Ministry.
Dear Sir/Madam,

This is regarding submission of proposals by National Sports Federation seeking financial assistance for conducting and participating national/international sports competitions.

2. The Federations are submitting to this Ministry the proposals generally late that too without requisite information/documents. This leaves this Ministry hardly any time to process the proposal as it involves scrutiny of proposal, obtaining comments/clearance of Sports Authority of India, Ministry of External Affairs/Home Affairs besides preparation of agenda documents for placing before Departmental Committee Meeting. The Federations are, therefore, requested to adhere, while submitting the proposals, the following:

   i) Proposal should be in the prescribed format duly filled up each and every part/column of the application;
   ii) Particulars like venue where the event is held, team details including report of the Government observer etc.;
   iii) Details of arrangement made for Boarding and Lodging for the players/officials who participate in the events;
   iv) Budget details for each event along with the manner in which the Federation propose to meet expenditure over and above, the amount of grant likely to be received from the Government;
   v) The proposal for international events should also contain certain specific information which inter-alia include the following:

      (a) whether the proposal of the Federation was included in the programme of preparation of Asian Games;
      (b) allocation of funds for the programme to the Federation and utilization thereof;
      (c) justification for the team to participate in the forthcoming event
      (d) details of previous years performance/achievements of the team in such events/equivalent events; and
      (e) performance of the team in any other latest national and international events
vi) Annual Calendar for National /International competitions which was to be drawn by January of every year and the same was to submit to this Ministry and Sports Authority of India.

3. Furthermore, we would like to underline that responsibility of the federations is to ensure timely and proper conduct of the National events in all categories. Drawing up of calendar for national championship in advance will facilitate School Federations and Association of Indian Universities for preparation of their calendar. Moreover, calendar of events of all federations, shall be required at the time of LTDP or at review meeting of LTDP.

4. We, therefore, request all the recognized Federations that the proposals complete in all respects shall be submitted to this Ministry before 90 days from the date of the proposed National/International events. In any case, if the proposal is submitted to this Ministry in less than 45 days from the date of the proposed events, the same will not be considered.

5. We would also request the National Federations to submit the calendar for National Championship 2010 latest by 31.12.2009 failing which, proposal from the Federation for grants to that championship will not be considered.

We once again request all the recognized Federations to take note of the above and adhere to the same.

With regards,

Yours sincerely,

3. Sh. C.S. Surender Raju - Hony. Joint Secretary
4. Sh. Raktim Saikia - Hony. Treasurer

2. AITA had submitted their election report for approval of this Ministry. While the election of AITA was under consideration, a C.M application no. 8791/2012 in W.P.No.195/2010 was filed by Shri Rahul Mehra in Delhi High Court challenging the election of AITA. The decision in this case is awaited.

3. In the meantime, AITA was asked to furnish the tenure details of the elected persons. The reply of AITA was received vide letter dated 26.9.2012. It has been noticed from the reply that among the office bearers Shri Anil Khana had held the post of Secretary General for more than two terms before contesting for the post of President.

4. The age and tenure provisions of the Sports Code were challenged by the IOA in Delhi High Court vide W.P.No.2310/2012. Hon’ble Delhi High Court vide their Judgement, passed on 9.5.2014, has upheld the validity of the Sports Code and also upheld the competence of the Govt. to issue instructions for good governance & transparency in the functioning of the Sports bodies. The operative portion of the Judgement is as under:

"It is held that the petitioners contentions are rejected. The court reiterates its conclusions that international sports and regulation of NSFs, and IOA, in respect of the matters which are the subject of these proceedings, falls within Entry 97 of the

-64-
First list to the seventh schedule to the constitution of India. The central Govt. can insist upon adherence to these provisions without the aid of legislation. It is also held that the Sports Code does not violate the freedom under Article 19(1)c of the constitution. Neither are its provisions arbitrary. The tenure restrictions impugned in this case can and are insisted upon as a part of the public interest in efficient and fair administration of such NSFs. This Court also specifically notes the letter/notice dated 20.9.1975, which forms part of the Sports Code, as modified by the letter of 01-05-2010, to the following extent:

(i) The President of any recognized National Sports Federation, including the Indian Olympic Association can hold the office for a maximum period of twelve years with or without break.

(ii) The secretary (or by whatever other designation such as Secretary General or General Secretary by which he is referred to) and the Treasurer of any recognized National Sports Federation, including the Indian Olympic Association, may serve a maximum of two successive terms of four years each after which a minimum 'cooling off period of four years will apply to seek fresh election to either post.

(iii) The President, the secretary and the Treasurer of any recognized National Sports Federation, including the Indian Olympic Association, shall cease to hold that post on attaining the age of 70 years.

(iv) The other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain as it is.

(v) The above dispensation will come into operation with immediate effect.

This regulation (subject to any subsequent amendments) should, till appropriate legislation is framed by Parliament, bind the parties and all NSFs as a condition for recognition, aid and crucially, for the use of the term 'India' by any team in International Olympic sporting event.

The court also observed in para 85 of the judgement that 'there cannot be two opinions about existence of an overriding public or states concerns that such bodies (NSFs) do not remain the preserve of the few, or worst, the moneymed and the powerful'.

5. The matter was examined at length in the light of the judgement. It has been felt that if a person holding the office of the General Secretary / Secretary General of an NSF for two consecutive terms of four years each is allowed to contest the post of President and then occupy that office for another twelve years (i.e. 20 years at a stretch), it will defeat and frustrate the very object underlying the provisions and spirit of the National Sports Code and the Government Guidelines. It has therefore been decided that Shri Anil Khanna cannot be deemed to have been validly elected to the office of the President of AITA, as he had already served as Secretary General for two consecutive terms and for contesting any further election to the office of President, Secretary General or Treasurer of AITA, he had to necessarily undergo a cooling off period of four years.
6. In view of the above, AITA is directed to advise Shri Anil Khanna to demit the office of President in AITA with immediate effect. AITA is also directed to conduct elections for the post a fresh as per the provisions of the Sports Code immediately.

This has the approval of Hon'ble Minister of State (I/c), Ministry of Skill Development, Entrepreneurship, Youth Affairs & Sports.

However, in exceptional circumstances and in deserving cases extension of maximum of three months could be considered by the Ministry, after which the office bearers elected in the last election will automatically cease to exist.

All NSF's & the IOA are requested to take appropriate action accordingly and intimation regarding holding of elections of office bearers should be sent well in advance, so that the Ministry may consider nominating Government Observer, to oversee the conduct of elections.

Sub:- Elections for the post of President of All India Tennis Association (AITA).

Ref 1:- This office letters of even no. dated 22-10-2014 and 11-03-2015.
Ref 2:- AITA letters dated 04-03-2015, 27-03-2015 & 30-03-2015
Ref 3:- Personal hearing given to the representatives of AITA on 27-05-2015.

Vide this office letter dated 22-10-2014, it was conveyed to AITA that Shri Anil Khanna cannot be deemed to have been validly elected to the office of the President of AITA, in accordance with the provision of Sports Code, as he had already served as Secretary General for two consecutive terms and for contesting to the office of President of AITA, he had to necessarily undergo a cooling off period of four years. AITA was therefore directed to ask Shri Anil Khanna to demit the office of President of AITA with immediate effect. AITA was also directed to conduct elections for the post afresh as per the provisions of the Sports Code immediately (copy enclosed).

2. AITA instead of accepting the decision of the Govt. submitted a representation vide their letter dated 29-10-2014 for reconsideration of the decision taken vide this Ministry’s letter of even no. dated 22-10-2014. The matter was again considered and the decision of the Ministry, conveyed to AITA, through letter of even no. dated 22-10-2014 was reiterated vide letter of even no. dated 11-03-2015 (copy enclosed).

3. For this reason, the annual recognition to AITA was given only up to 31-03-2015 and the same has not been extended.

4. AITA again submitted representations vide letters dated 04-03-2015, 27-03-2015 and 30-03-2015 for re-consideration of the decision. With a view to give a final opportunity by way of a personal hearing to AITA, Hony. Secretary General, AITA was requested to be present with their representatives on 13-05-2015 before Joint Secretary (Sports) for personal hearing. AITA vide their letter dated 06-05-2015 requested to postpone the meeting as members of the committee and their legal consultant who were looking into this matter were not available on 13-05-2015 due to prior commitments. The Ministry agreed to the request for rescheduling the hearing between 27th to 29th May, 2015. The hearing was accordingly fixed for 27-05-2015 at 11.00 a.m. in the office chamber of Joint Secretary (Sports). The representatives from AITA attended the hearing, held on the schedule date and time before JS (Sports).

5. The personal hearing was held as scheduled and the AITA representatives mainly submitted the following:-

I. That the modified guidelines issued by the Ministry on 01-05-2010 duly stated that the Secretary General/General Secretary and the Treasurer may serve a
maximum of two terms of 4 years each after which a minimum cooling off period of 4 years will apply to seek fresh election to either post. President of NSF can hold the office for a maximum of 12 years with or without break and there is no mention in the order that before contesting for the post of President, Secretary General/General Secretary or Treasurer will have to undergo a cooling off period of four years.

II. The minutes of the meeting held on 22-04-2013 under the chairmanship of former Secretary (Sports) with the representatives of IOA/NSFs regarding suggested amendments to the constitution of IOA. It was decided unanimously that (i) no member shall hold one or more Executive post for more than 5 consecutive terms or 20 years, whichever is less. However, such member can hold more than one post consecutively within the 20 years period and (ii) a member who has held any or both the posts of Secretary General/General Secretary or Treasurer shall be eligible to hold the post of President without a cooling off period but will be subject to the condition mentioned in (i) above. The minutes of the meeting were issued on 03-05-2013 to all the participants.

III. The Ministry vide their letter dated 15-11-2012 informed Sh. Randhir Singh former Secretary General, IOA that the provisions of the National Sports Code does not specifically debar a person who has held two (or more) terms as General Secretary to contest for the post of President.

IV. AITA is governed by IOA's approved constitution which states that a member who has held any or both the post of Secretary General/General Secretary and Treasurer shall be eligible to seek elections for the post of President without any cooling off period. It was also submitted that if, IOA amends its constitution relating to tenure clause, they will also do so. It was also mentioned that in the international federation for Tennis there is no age and tenure restrictions.

V. The Ministry themselves in the affidavit filed in CM No.8791/2012 in affidavit filed in WP No.193/2010 filed by Sh. Rahul Mehra stated that:-

"the provisions of the Sports Code as stated by the petitioner is a matter of record. However, it is stated that the provisions of the Sports Code do not specifically debar a person who has held two (or more) terms as General Secretary to contest for the post of President. Nevertheless, the Govt. is of the opinion that such an election would not be in conformity with the spirit of the Sports Code."

VI. The Hon'ble High Court of Delhi vide order dated 09-05-2014 in the case WP No.2310/2010 in which IOA challenged the age and tenure provisions of the Sports Code has only given their observations regarding the validity of Sports Code.

VII. Further, it was submitted what MYAS may consider good spirit, the International Tennis Federation (ITF) may not consider it in the same manner as 'Spirits' is a subjective term.

6. Therefore, they pleaded that the election of Sh. Anil Khanna as President of AITA cannot be considered as invalid.

7. All the representations of AITA and the submission made by their representatives have again been examined in the Ministry. The Ministry vide order dated 1.5.2010, increased the tenure of President from 8 years to 12 years and the age of the office bearers was restricted to 70 years. These provisions were not available in the Ministry's guidelines of 1975. While issuing the modified guidelines on 01-05-2010 it was clearly indicated that other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain the same. In other words, the cooling off period mentioned for President, Secretary General or Treasurer in the guidelines of 1975 will also remain the same.
8. The Minutes of the meeting held on 22.4.2013 under the chairmanship of former Secretary (Sports) are only recommendations and cannot be construed as order/guidelines of the Government.

9. Since IOA was under suspension at that point of time, keeping in view the interest of sportspersons for participation in mega events, it was felt necessary to give clarification to Sh. Randhir Singh for contesting for the post of President in IOA. However, ultimately, Sh. Randhir Singh did not contest the elections of IOA. In para (2) of letter dated 15-11-2012 it was clearly indicated that the matter was sub-judice. Therefore, the point raised by the representative of AITA cannot be considered as valid.

10. With regard to the affidavit of the Deptt. in CM No.8791/2012 in WP No.195/2010, it is mentioned that in the said affidavit it has been clearly stated that the Govt. is of the opinion that such an election would not be in conformity with the spirit of the Sports Code.

11. In the judgment of Hon'ble Delhi High Court, dated 09-05-2014 the Court has upheld the validity of the Sports Code. It has clearly been indicated that Central Govt. can insist on adherence of these provisions without aid of legislation. It is also held that the Sports Code does not violate freedom under Article 19(1) (c) of the Constitution. Neither are its provisions arbitrary. The tenure restrictions can be insisted upon by the Govt. as a part of good governance in NSFs.

12. The elections of AITA was held in 2012. Since the National Sports Development Code came into effect from 31-01-2011, the department is applying provisions from prospective effect only. Therefore, a case is not made out for the Ministry to revise its earlier order dated 22-10-2014.

13. Hence, AITA is directed to hold the elections, immediately for the post of the President to replace Sh. Anil Khanna failing which the Federation may be derecognized without any further notice.

This has the approval of Hon'ble Minister of State (I/C), Ministry of Youth Affairs & Sports.

Subject: - Elections of office bearers of All India Tennis Association (AITA) held on 16.6.2012 at Bangalore.

Sir,

I am directed to refer to letter dated 20.6.2012 received from AITA on the subject cited above and to say that All India Teams Association (AITA) conducted their election on 16.10.2012 in which the following office bearers were stated to have been elected:

i. Sh. Anil K. Khanna - President
ii. Sh. Bharat N. Oza - Hony. Executive Vice President and Secretary General
iii. Sh. C.S. Surender Raju - Hony. Joint Secretary
iv. Sh. Raktim Saikia - Hony. Treasurer

2. AITA had submitted their election report for approval of this Ministry. While the election of AITA was under consideration, a C.M application no. 8791/2012 in W.P.No.195/2010 was filed by Shri Rahul Mehra in Delhi High Court challenging the election of AITA. The decision in this case is awaited.

3. In the meantime, AITA was asked to furnish the tenure details of the elected persons. The reply of AITA was received vide letter dated 26.9.2012. It has been noticed from the reply that among the office bearers Shri Anil Khana had held the post of Secretary General for more than two terms before contesting for the post of President.

4. The age and tenure provisions of the Sports Code were challenged by the IOA in Delhi High Court vide W.P.No.2310/2012. Hon'ble Delhi High Court vide their Judgement, passed on 9.5.2014, has upheld the validity of the Sports Code and also upheld the competence of the Govt. to issue instructions for good governance & transparency in the functioning of the Sports bodies. The operative portion of the Judgement is as under:-

"It is held that the petitioners contentions are rejected. The court reiterates its conclusions that international sports and regulation of NSFs, and IOA, in respect of the matters which are the subject of these proceedings, falls within Entry 97 of the
First list to the seventh schedule to the constitution of India. The central Govt. can insist upon adherence to these provisions without the aid of legislation. It is also held that the Sports Code does not violate the freedom under Article 19(1)(c) of the constitution. Neither are its provisions arbitrary. The tenure restrictions impugned in this case can and are insisted upon as a part of the public interest in efficient and fair administration of such NSFs. This Court also specifically notes the letter/notice dated 20.9.1975, which forms part of the Sports Code, as modified by the letter of 01-05-2010, to the following extent:-

(i) The President of any recognized National Sports Federation, including the Indian Olympic Association can hold the office for a maximum period of twelve years with or without break.

(ii) The secretary (or by whatever other designation such as Secretary General or General Secretary by which he is referred to) and the Treasure of any recognized National Sports Federation, including the Indian Olympic Association, may serve a maximum of two successive terms of four years each after which a minimum 'cooling off period of four years will apply to seek fresh election to either post.

(iii) The President, the secretary and the treasurer of any recognized National Sports Federation, including the Including Olympic Association, shall cease to hold that post on attaining the age of 70 years.

(iv) The other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain as it is.

(v) The above dispensations will come into operation with immediate effect.

This regulation (subject to any subsequent amendments) should, till appropriate legislation is framed by Parliament, bind the parties and all NSFs as a condition for recognition, aid and crucially, for the use of the term 'India' by any team in International Olympic sporting event."

The court also observed in para 85 of the judgement that 'there cannot be two opinions about existence of an overriding public or states concerns that such bodies (NSFs) do not remain the preserve of the few, or worst, the moneyed and the powerful'.

5. The matter was examined at length in the light of the judgement. It has been felt that if a person holding the office of the General Secretary / Secretary General of an NSF for two consecutive terms of four years each is allowed to contest the post of President and then occupy that office for another twelve years (i.e. 20 years at a stretch), it will defeat and frustrate the very object underlying the provisions and spirit of the National Sports Code and the Government Guidelines. It has therefore been decided that Shri Anil Khanna cannot be deemed to have been validly elected to the office of the President of AITA, as he had already served as Secretary General for two consecutive terms and for contesting any further election to the office of President, Secretary General or Treasurer of AITA, he had to necessarily undergo a cooling off period of four years.
6. In view of the above, AITA is directed to advise Shri Anil Khanna to demit the office of President in AITA with immediate effect. AITA is also directed to conduct elections for the post afresh as per the provisions of the Sports Code immediately.

This has the approval of Hon'ble Minister of State (I/c), Ministry of Skill Development, Entrepreneurship, Youth Affairs & Sports.

ORDER

Sub: Grant of provisional recognition to All India Sports Council of the Deaf (AISCD).

All India Sports Council of the Deaf (AISCD) has been recognised by the Govt. as the National Sports Federation for development and promotion of sport among deaf athletes. The Federation had held its elections in 2009 wherein Shri Rajiv Kumar Sharma and Shri E.K. Jose were elected as President and Hony. Secy. General respectively. Thereafter, dispute arose between them and both claimed to have majority. In order to resolve the dispute, this Ministry called both the factions for a number of meetings. In one of the meetings, it was suggested that AISCD might postpone the elections and elect a fresh set of office bearers who could run the Federation without any internal conflicts and dispute. The faction led by Shri Rajiv Kumar Sharma held elections on 10/3/2013 wherein Shri Rajiv Kumar Sharma and Shri Walter Fernandez were elected as President and Secretary General respectively. Subsequently, they approached the Govt. for grant of recognition to the newly elected body. Even though the faction led by Shri E.K. Jose had not held elections, it was claiming to have the recognition of the International Federation (IF). Hence, it was advised to them that the newly elected body should obtain the recognition from its international body before approaching the Govt. for recognition.

2. Since, the matter remained unresolved and deaf athletes were not able to participate in international events, Govt. proposed to constitute an ad-hoc body in the meeting held on 30/9/2014, in which both the factions would nominate 3 members each and the Govt. would nominate 1 person in consultation with the nominated members. This suggestion was agreed to by members of both the factions present in the meeting. It was also agreed that the ad-hoc committee would seek recognition from the international federation.

3. Another meeting was held on 24/12/2014 to review the progress of constitution of the ad-hoc committee. In the said meeting, one of the nominees of the faction led by Shri Rajeev Kumar Sharma, which had held election on 10/3/2013, informed that their faction has been given recognition by the Asian body and the IF has agreed to it.

4. AISCD has now informed that Shri Rajiv Kumar Sharma and Shri E.K. Jose, leading the warring factions, have resigned from the posts of President and Hony. General Secretary respectively w.e.f. 8/2/2015. The Federation has also informed that their General Body has nominated Shri R.C. Santhian as Acting President as per AISCD’s constitution.

Contd.........P-2
5. The matter has been examined in the Ministry. Keeping in view all the relevant factors including the interest of deaf athletes, it has been decided with the approval of the competent authority to grant recognition to AISCD with Shri R.C. Santhian as Acting President subject to the condition that they should conduct fresh elections of the office-bearers of AISCD within three months as per the Model Election guidelines devised by the Ministry and incorporated in the National Sports Development Code of India, 2011.

ORDER

Sub:- Recognition of Election of Judo Federation of India (JFI) held on 04-08-2013 regarding.

Judo Federation of India (JFI) was recognized by the Govt. as the National Sports Federation (NSF) responsible for development and promotion of Judo sport in the country.

2. Under the National Sports Development Code of India, 2011 (NSDCI), one of the prime conditions for continuation of recognition to NSFs is adherence to the age and tenure norms by its office bearers as contained in the letter No.11-4/74-SP-I dated 20/9/1975 and No.8-17/2009/SPIII dated 1/5/2010. All NSFs are required to incorporate the age and tenure clause in their respective constitutions/bye-laws and also abide by the guidelines for good governance and transparency in their functioning.

3. JFI conducted its elections on 04-08-2013 in which the following office bearers were elected:-

   i) Shri Mukesh Kumar - President
   ii) Shri Manmohan Jaiswal - General Secretary
   iii) Shri Yashbeer Singh - Treasurer

4. JFI submitted their election report for approval of this Ministry. It was noticed that Sh. Mukesh Kumar who has been elected as President was the General Secretary of the Federation for two terms i.e. from 2005 (1st term) and then July, 2009 (2nd term). Therefore, Sh. Mukesh Kumar’s election as President was not considered as valid. However, it was decided with the approval of former MOS (UC) YAS that the election of Sh. Mukesh Kumar as President be accepted subject to the outcome of the decisions pending in various courts including WP No.195/2010 and the connected CMs filed by Sh. Rahul Mehra in the Hon’ble High Court of Delhi. This was conveyed to JFI on 27-09-2013.

5. While the election reports of AITA and JFI were under consideration, a CM Application NO.8791/2012 in WP No.195/2010 was filed by Shri Rahul Mehra in the Delhi High Court, challenging the election of AITA. The Deptt. submitted in the Court that “The provision of the Sports Code as stated by the petitioner is a matter of record. However, it is stated that the provisions of the Sports Code do not specifically debar a person who has held two (or more) terms as General Secretary to contest for the post of President. Nevertheless, the Government is of the opinion that such an election would not be in conformity with the spirit of the Sports Code”.

-106-
In CM No.2134/2011 in the same W.P.No.195/2010, the Department filed an affidavit stating inter-alia, that:

"...new positions/offices such as Chairman, Advisors, Consultants, etc. have been created in order to accommodate officials who have become ineligible for re-election as they have completed their maximum tenure and/or age as mandated under the Sports Code. When such posts are created with an intention to bypass or circumvent the provisions of the Sports Code, it amounts to defeating the very purpose of the said Sports Code and also violates principles of good governance and international best practices. In such cases, it would also entail action to derecognize such NSFs for such default.

6. The age and tenure provisions of the Sports Code were challenged by the IOA in Delhi High Court vide W.P.No.2310/2012. Hon'ble High Court vide their Judgment, passed on 9/5/2014, has upheld the validity of the Sports Code and also upheld the competence of the Govt. to issue instructions for good governance & transparency in the functioning of the Sports bodies. The operative portion of the Judgment is as under:

"It is held that the petitioners' contentions are rejected. The court reiterates its conclusions that international sports and regulation of NSFs, and IOA, in respect of the matters which are the subject of these proceedings, falls within Entry 97 of the First list to the Seventh Schedule to the Constitution of India. The Central Govt. can insist upon adherence to these provisions without the aid of legislation. It is also held that the Sports Code does not violate the freedom under Article 19(1) (c) of the constitution. Neither are its provisions arbitrary. The tenure restrictions impugned in this case can and are insisted upon as a part of the public interest in efficient and fair administration of such NSFs. This Court also specifically notes the letter/notice dated 20/9/1975, which forms part of the Sports Code, as modified by the letter of 1/5/2010, to the following extent:

i) The President of any recognized National Sports Federation, including the Indian Olympic Association (IOA) can hold the office for a maximum period of twelve years with or without break.

ii) The Secretary (or by whatever other designation such as Secretary General or General Secretary by which he is referred to) and the Treasurer of any recognized National Sports Federation, including the IOA, may serve a maximum of two successive terms of four years each after which a maximum of two successive terms of four years each after which a minimum 4 cooling off period of four years will apply to seek fresh election to either post.

iii) The President, the Secretary and the Treasurer of any recognized National Sports Federation, including the IOA, shall cease to hold that post on attaining the age of 70 years.

iv) The other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain as it is.

v) The above dispensation will come into operation with immediate effect.

This regulation (subject to any subsequent amendments) should, till appropriate legislation is framed by Parliament, bind the parties and all NSFs as a condition for
recognition, aid and crucially, for the use of the term “India” by any team in International Olympic sporting event”.

7. The court also observed in para 85 of the judgement that ‘there cannot be two opinions about existence of an overriding public or state concerns that such bodies (NSFs) do not remain the preserve of the few, or worst, the moneyed and the powerful’.

8. The Ministry had examined the matter at length in the light of the above judgment. It was felt that if a person holding the office of the General Secretary/Secretary General of NSF for two consecutive terms of four years each is allowed to contest the post of President and then occupy that office for another 12 years (i.e. 20 years stretch) it will defeat and frustrate the very object underlying the provisions and the spirit of the National Sports Development Code and Govt. guidelines.

9. With a view to give a final opportunity by way of a personal hearing to JFI, the Ministry requested Hon’ble Secretary General, JFI to be present with their representatives on 27-05-2015 before Joint Secretary (Sports).

10. The personal hearing was held as scheduled and during the detailed deliberation, JFI submitted that the modified guidelines issued by the Ministry on 01-05-2010 duly states that the Secretary General/General Secretary and the Treasurer may serve a maximum of two terms of 4 years each after which a minimum cooling off period of 4 years will apply to seek fresh election to either post. President of NSF can hold the office for a maximum of 12 years with or without break and there is no mention in the order that before contesting for the post of President, Secretary General/General Secretary or Treasurer will have to undergo a cooling off period of four years, therefore, the election of Sh. Mukesh Kumar as President of JFI is valid. Further, JFI referred the minutes of the meeting held on 22-04-2013 under the chairmanship of former Secretary (Sports) with the representatives of IOA/NSFs regarding suggested amendments to the constitution of IOA. It was decided unanimously that (i) no member shall hold one or more Executive post for more than 5 consecutive terms or 20 years, whichever is less. However, such member can hold more than one post consecutively within the 20 years period and (ii) a member who has held any or both the posts of Secretary General/General Secretary or Treasurer shall be eligible to hold the post of President without a cooling off period but will be subject to the condition mentioned in (i) above. The minutes of the meeting were issued on 03-05-2013 to all the participants. Therefore, they pleaded that the election of Sh. Mukesh Kumar as President of JFI cannot be considered as invalid.

11. The entire matter has again been examined in the Ministry. The Ministry vide order dated 1.5.2010, increased the tenure of President from 8 years to 12 years and the age of the office bearers was restricted to 70 years. These provisions were not available in the Ministry’s guidelines of 1975. While issuing the modified guidelines on 01-05-2010 it was clearly indicated that other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain the same. In other words, the cooling off period mentioned for President, Secretary General or Treasurer in the guidelines of 1975 will also remain the same.

12. The Minutes of the meeting held on 22.4.2013 under the chairmanship of former Secretary (Sports) are only recommendations and cannot be construed as order/guidelines of the Government.
The matter has been considered in totality and keeping in view all the relevant facts including Hon'ble High Court's order dated 9.5.2014 upholding the validity of the Sports Code, it has been decided with the approval of the competent authority that the election of Sh. Mukesh Kumar as President of JFI cannot be held as valid as per provision of the National Sports Development Code of India, 2011. Hence Sh. Mukesh Kumar shall have to step down as President of JFI immediately failing which appropriate action would be taken against JFI which may include withdrawal of recognition to the Federation.

This issues with the approval of Hon'ble MOS (UC) YAS.

Yours faithfully

BY SPEED POST  

Shastri Bhawan : New Delhi,  
Dated : the 17th November, 2015

To  
The Hony. Secretary,  
Indian Polo Association,  
C/o B Squadron 61st Cavalry,  
Carriappa Marg (Concrete),  
New Delhi-110001

Sub : Renewal of Recognition to the Indian Polo Association (IPA).

Sirs,

Government of India granted recognition to IPA vide its letter dated 7th September, 1959 (copy enclosed) as recognized National Sports Federation responsible for the promotion of Polo sport. From the year 2010, the Ministry introduced a system of annual recognition under which all NSFs are required to submit certain documents/information based on which annual recognition is granted to NSFs. Subsequent annual renewal will be automatic in respect of NSFs which submit annual reports, audited accounts and corresponding documents. Any Federation which fails to comply with this requirement, will not be granted renewal till such time they furnish the required information and accordingly will not be eligible to receive assistance under the Scheme of Assistance to NSFs.

2. Accordingly, IPA was not granted annual recognition beyond 2010 as it could not provide all the requisite documents sought by the Ministry. Now IPA has submitted the relevant documents as desired by the Ministry. Ministry of Youth Affairs & Sports considered the documents and agrees to renew the recognition of Indian Polo Association (IPA) as a National Sports Federation with immediate effect.

2. The renewal of recognition means granting a major role to the Indian Polo Association for promotion and development of Polo sport in India.

3. The recognition is granted subject to continued observance of the following terms and conditions:-

No person shall be allowed to hold the offices of President, Secretary and Treasurer (by whatever corresponding designation they are known) for more than the period prescribed in the Ministry’s instructions.
b) The Association shall give advance notice to the Government for any change in its constitution. The copy of the existing Constitution and the proposed changes should invariably be sent along with the notice.

c) The Association must maintain its accounts as per the Mercantile System of accounting. The Accounting Year should be from 1st April to 31st March. The books of accounts shall always be open to inspection by authorized representatives of the Union Government.

d) The accounts of the Association must be audited by a practicing Chartered Accountant. Audited Statement of account should be sent to the Union Govt. within six months from the date of expiry of the accounting year.

f) The Association should also abide by the directions of the Union Govt. issued, if any, in the interest of promotion of sportspersons or its players or Public in general.

g) The Recognition can be reviewed by the Govt. in case Memorandum of Association (MOA) of Indian Polo Association or its other practices come into conflict with the Govt. Guidelines as amended from time to time.

h) Ministry’s Guidelines for selection procedure shall be followed by IPA. The tournaments shall be held for Men & Women at all levels i.e. National, State, District level for Senior, Junior and Sub-Junior categories.

i) The Association shall scrupulously follow the Ministry’s guidelines on RTI applicability and suo-moto disclosure of information on its website and appointment of a Public Information Officer and an Appellate Authority.

j) The Association shall ensure strict compliance of the Government guidelines to prevent unethical practices in sports such as age fraud, prevention of sexual harassment of women in sports, Anti-doping, issuance of identity cards to sportspersons etc.

4. The Polo sport is placed in the “Other” category.

5. The recognition may be withdrawn if:

i) any of the terms and conditions of the recognition are violated;

F.No.8-17/2009-SP-III
Government of India
Ministry of Youth Affairs and Sports

Dated: 1st May, 2010

To,

1. President of Indian Olympic Association and all recognized National Sports Federations
2. The Secretary General/General Secretary/Secretary of Indian Olympic Association and all National Sports Federations

Subject: Restoration of limits on the duration of tenure of office bearers of Indian Olympic Association and all recognized National Sports Federations

Sir,

I am directed to refer to the letter to No. F.11-4/74-SP-I dated 20th September, 1975 issued by the then Ministry of Education and Social Welfare, Department of Education regarding improvement of standards of sports and games in the country and Conditions for financial and other assistance to National Sports Federations/Associations, etc., which forms part of Revised Guidelines for Assistance to National Sports Federations (NSFs) (Annexure-XI of the Guidelines).

2. Whereas due to strong opposition from the Indian Olympic Associations (IOA) and NSFs, to the implementation of tenure restrictions stipulated in the letter referred to in Para 1 above, the said instructions were kept in abeyance since October, 2001.

3. Whereas in the recent past the matter had drawn the attention of Hon'ble High Court of Delhi in Civil Writ Petition No.7868 of 2005 in the matter of Indian Hockey Federation and the Hon'ble High Court while disposing off the matter vide Order dated 02.03.2010 observed categorically that the Government guidelines governing the NSFs were valid, binding and enforceable; and the tenure clause is not in violation of the International Olympic Committee's (IOC) Charter. The Hon'ble Court also observed that the Government of India was fully competent to make regulations on NSFs and IOA.

4. Whereas subsequently in a Public Interest Litigation filed before the Hon'ble Delhi High Court vide Civil Writ Petition No.195/2010, the petitioner has, inter alia, challenged the unlimited tenure of the office bearers of NSFs and IOA. The Hon'ble Court have taken a serious view on this matter and expressed deep concern at inaction on the part of the Government.
5. Whereas after detailed examination of the IOC Charter, it has been found that even the International Olympic Committee (IOC), which is the mother body of all sports federations, enforces tenure limits on its members and office bearers. As per the Charter, the duration of term of office of the Vice-Presidents and the ten other Executive Board Members is four years and a member may serve a maximum of two consecutive terms on the Board, followed by a cooling off period of 2 years. In case of the President, the Olympic Charter allows a term of eight years renewable once for a four year term. In other words, while the Vice Presidents and Executive Members can stand for re-election after undergoing the cooling off period, the IOC President can serve for a maximum period of 12 years. The IOC Charter also prescribes a retirement age for all IOC members, which is 70 years (for those elected after December 1999).

6. Whereas many major international sports federations also prescribe limits on the tenure of their office bearers such as, the World Badminton Federation does not permit more than two consecutive terms for its President and other office bearers; the International Hockey Federation (FIH) allows its President, Hon. Secretary General and Hon. Treasurer to hold a maximum of three terms of four years each; and the International Governing Body of Swimming (FINA) prescribes a maximum of two terms in the same post for the President and the Hon. Secretary and the Hon. Treasurer. Many other international sports bodies also enforce limits on the tenures of their office bearers.

7. Whereas Hon’ble Members of Parliament from across political parties, during the debate held in the Rajya Sabha on 22.4.2010 on the functioning of the Ministry of Youth Affairs and Sports, pressed on the need to enhance transparency and accountability in the functioning of sports bodies by way of appropriate regulations, including tenure limit for office bearers.

8. Whereas Hon’ble Members of Parliament on the Parliamentary Consultative Committee and other forums have also expressed similar views on this matter.

9. Accordingly, after taking into account the entire facts and circumstances of the case, and the views expressed by the Hon’ble Courts and Parliament, and the prevailing public opinion on the matter, and with a view to encouraging professional management, good governance, transparency, accountability, democratic elections, etc. in NSFs, including IOA, the competent authority after satisfying himself has set aside the orders keeping the tenure clause in abeyance with immediate effect subject to the following modifications in the existing tenure limit provisions referred to in letter dated 20th September, 1975 mentioned in Para 1 above:

i. The President of any recognized National Sports Federation, including the Indian Olympic Association can hold the office for a maximum period of twelve years with or without break.

ii. The Secretary (or by whatever other designation such as Secretary General or General Secretary by which he is referred to) and the Treasurer of any recognized National Sports Federation, including the Indian Olympic Association, may serve a maximum of two successive terms of four years each, after which a minimum cooling off period of four years will apply to seek fresh election to either post.
iii. The President, the Secretary and the Treasurer of any recognized National Sports Federation, including the Indian Olympic Association, shall cease to hold that post on attaining the age of 70 years.

iv. The other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain as it is.

v. The above dispensation will come into operation with immediate effect.

vi. The conditions (i) to (v) above will be subject to the proviso that it shall not disturb the current tenure of any member, provided he/she has been properly elected to the post. In other words, the tenure condition will become operative for all future elections as they may be conducted in future in their normal course.

9. Compliance to the abovementioned directions shall be mandatory to receive government recognition and thereby to become eligible to receive financial as well as other forms of assistance from Government of India such as railway concession, income tax exemption, custom duty exemption, etc. and to derive the authority to perform the public functions of selecting and deputing the national teams for participation in recognized continental and world level international sports competitions which involve representation of member countries, and to represent the country in international associations, events, meets, conferences, etc.

10. This letter shall now form an integral part of the guidelines/regulations applicable to NSFs, including IOA.

Yours faithfully,

Government of India
Ministry of Youth Affairs & Sports
(Deptt. of Sports)

Shastri Bhawan, New Delhi-110001
Dated 27.10.2015.

ORDER

Sub:- Elections for the post of President of All India Tennis Association (AITA).

Ref 1:- This office letters of even no. dated 22-10-2014 and 11-03-2015.
Ref 2:- AITA letters dated 04-03-2015, 27-03-2015 & 30-03-2015
Ref 3:- Personal hearing given to the representatives of AITA on 27-05-2015.

Vide this office letter dated 22-10-2014, it was conveyed to AITA that Shri Anil Khanna cannot be deemed to have been validly elected to the office of the President of AITA, in accordance with the provision of Sports Code, as he had already served as Secretary General for two consecutive terms and for contesting to the office of President of AITA, he had to necessarily undergo a cooling off period of four years. AITA was therefore directed to ask Shri Anil Khanna to demit the office of President of AITA with immediate effect. AITA was also directed to conduct elections for the post afresh as per the provisions of the Sports Code immediately (copy enclosed).

2. AITA instead of accepting the decision of the Govt, submitted a representation vide their letter dated 29-10-2014 for reconsideration of the decision taken vide this Ministry’s letter of even no. dated 22-10-2014. The matter was again considered and the decision of the Ministry, conveyed to AITA, through letter of even no. dated 22-10-2014 was reiterated vide letter of even no. dated 11-03-2015 (copy enclosed).

3. For this reason, the annual recognition to AITA was given only up to 31-03-2015 and the same has not been extended.

4. AITA again submitted representations vide letters dated 04-03-2015, 27-03-2015 and 30-03-2015 for re-consideration of the decision. With a view to give a final opportunity by way of a personal hearing to AITA, Hon. Secretary General, AITA was requested to be present with their representatives on 13-05-2015 before Joint Secretary (Sports) for personal hearing. AITA vide their letter dated 06-05-2015 requested to postpone the meeting as members of the committee and their legal consultant who were looking into this matter were not available on 13-05-2015 due to prior commitments. The Ministry agreed to the request for rescheduling the hearing between 27th to 29th May, 2015. The hearing was accordingly fixed for 27-05-2015 at 11.00 a.m. in the office chamber of Joint Secretary (Sports). The representatives from AITA attended the hearing, held on the schedule date and time before JS (Sports).

5. The personal hearing was held as scheduled and the AITA representatives mainly submitted the following:-

I. That the modified guidelines issued by the Ministry on 01-05-2010 duly states that the Secretary General/General Secretary and the Treasurer may serve a
maximum of two terms of 4 years each after which a minimum cooling off period of 4 years will apply to seek fresh election to either post. President of NSF can hold the office for a maximum of 12 years with or without break and there is no mention in the order that before contesting for the post of President, Secretary General/General Secretary or Treasurer will have to undergo a cooling off period of four years.

II. The minutes of the meeting held on 22-04-2013 under the chairmanship of former Secretary (Sports) with the representatives of IOA/NSFs regarding suggested amendments to the constitution of IOA. It was decided unanimously that (i) no member shall hold one or more Executive post for more than 3 consecutive terms or 20 years, whichever is less. However, such member can hold more than one post consecutively within the 20 years period and (ii) a member who has held any or both the posts of Secretary General/General Secretary or Treasurer shall be eligible to hold the post of President without a cooling off period but will be subject to the condition mentioned in (i) above. The minutes of the meeting were issued on 03-05-2013 to all the participants.

III. The Ministry vide their letter dated 15-11-2012 informed Sh. Randhir Singh, former Secretary General, IOA that the provisions of the National Sports Code does not specifically debar a person who has held two (or more) terms as General Secretary to contest for the post of President.

IV. AITA is governed by IOA’s approved constitution which states that a member who has held any or both the posts of Secretary General/General Secretary and Treasurer shall be eligible to seek elections for the post of President without any cooling off period. It was also submitted that if, IOA amends its constitution relating to tenure clause, they will also do so. It was also mentioned that in the international federation for Tennis there is no age and tenure restrictions.

V. The Ministry themselves in the affidavit filed in CM No. 8791/2012 in affidavit filed in WP No. 195/2010 filed by Sh. Rahul Mehra stated that:-
“the provisions of the Sports Code as stated by the petitioner is a matter of record. However, it is stated that the provisions of the Sports Code do not specifically debar a person who has held two (or more) terms as General Secretary to contest for the post of President. Nevertheless, the Govt. is of the opinion that such an election would not be in conformity with the spirit of the Sports Code.”

VI. The Hon’ble High Court of Delhi vide order dated 09-05-2014 in the case WP No. 2310/2010 in which IOA challenged the age and tenure provisions of the Sports Code has only given their observations regarding the validity of Sports Code.

VII. Further, it was submitted what MYAS may consider good spirit, the International Tennis Federation (ITF) may not consider it in the same manner as ‘Spirit’ is a subjective term.

6. Therefore, they pleaded that the election of Sh. Anil Khanna as President of AITA cannot be considered as invalid.

7. All the representations of AITA and the submission made by their representatives have again been examined in the Ministry. The Ministry vide order dated 1.5.2010, increased the tenure of President from 8 years to 12 years and the age of the office bearers was restricted to 70 years. These provisions were not available in the Ministry’s guidelines of 1975. While issuing the modified guidelines on 01-05-2010 it was clearly indicated that other provisions in respect of the tenure limit as contained in the letter of 1975 mentioned above shall remain the same. In other words, the cooling off period mentioned for President, Secretary General or Treasurer in the guidelines of 1975 will also remain the same.
8. The Minutes of the meeting held on 22.4.2013 under the chairmanship of former Secretary (Sports) are only recommendations and cannot be construed as order/guidelines of the Government.

9. Since IOA was under suspension at that point of time, keeping in view the interest of sportspersons for participation in mega events, it was felt necessary to give clarification to Sh. Randhir Singh for contesting for the post of President in IOA. However, ultimately, Sh. Randhir Singh did not contest the elections of IOA. In para (2) of letter dated 15-11-2012 it was clearly indicated that the matter was sub-judice. Therefore, the point raised by the representative of AITA cannot be considered as valid.

10. With regard to the affidavit of the Deptt. in CM No.8791/2012 in WP No.195/2010, it is mentioned that in the said affidavit it has been clearly stated that the Govt. is of the opinion that such an election would not be in conformity with the spirit of the Sports Code.

11. In the judgment of Hon’ble Delhi High Court, dated 09-05-2014 the Court has upheld the validity of the Sports Code. It has clearly been indicated that Central Govt. can insist on adherence of these provisions without aid of legislation. It is also held that the Sports Code does not violate freedom under Article 19(1) (c) of the Constitution. Neither are its provisions arbitrary. The tenure restrictions can be insisted upon by the Govt. as a part of good governance in NSFs.

12. The elections of AITA was held in 2012. Since the National Sports Development Code came into effect from 31-01-2011, the department is applying provisions from prospective effect only. Therefore, a case is not made out for the Ministry to revise its earlier order dated 22-10-2014.

13. Hence, AITA is directed to hold the elections, immediately for the post of the President to replace Sh. Anil Khanna failing which the Federation may be derecognized without any further notice.

This has the approval of Hon’ble Minister of State (I/C), Ministry of Youth Affairs & Sports.

Sir,

I am directed to refer to WGFI letter No. WGFI/Compl/2015 dated 14.8.2015 on the subject mentioned above.

On perusal of the information furnished by Winter Games Federation of India, the following have been observed:-

(A) The elections of WGFI were stated to have been held on 20th August, 2014 under the supervision of IOA and the following were stated to have been elected as the office bearers of the federation:-

1. President: Shri Col. JS Dhillon, (Retd)
2. Secretary General: Shri Roshan Lal Thakur
3. Treasurer: Shri Satpal Verma

(B) A Complaint dated 15.9.2015 was received regarding irregularities in the elections of Winter Games Federation of India. It was alleged that the elections were not held in a free and fair manner, no observer was sought from MYAS, no intimation of the election was given to this Ministry, the venue of election was changed four times, a few members were not allowed to participate in the AGM etc. A copy of the complaint was sent to the...
Secretary General and President, WGFI vide this Deptt.'s letter of No.F.10-8/2013-SP.III dt.19.11.2014 seeking clarification/documents on the following points:-

1. Why WGFI did not inform the Ministry about the election date.

2. Why an Independent Returning Officer was not appointed.

3. Whether the Model Code of Conduct was adopted.

4. Whether the Age and Tenure Guidelines were followed.

5. To provide the Report of the Returning Officer containing the Election results duly signed by the Returning Officer.

6. To provide the details of elections such as date of issue of Notice, list of electoral college, list of nominated candidates, results of counting of votes etc. as per National Sports Development Code of India, 2011.

(C) The information submitted by WGFI vide their various letters has been examined. It is mentioned that the Government has issued National Sports Development Code of India, 2011 which has been effective from 31.1.2011. In the said code, a detailed procedure has been given for the National Sports Federations to conduct their elections. Vide their letter dated 12.12.2014, WGFI has intimated that they have appointed a Returning Officer from amongst the members present in the General Assembly. This is in violation of the model election guidelines prescribed in the Sports Code which prescribes a detailed procedure for conducting the elections including appointment of Returning Officer in advance, calling of nominations, scrutiny by Returning Officer, etc. As these have not been followed by WGFI, the guidelines of Sports Code have been violated.

Due to above reasons, it has been decided, with the approval of the competent authority not to accept the elections of Winter Games Federation of India.

WGFI is therefore, advised to hold the elections afresh by following the procedure as laid down in the Model Election Guidelines of the Sports Code. A copy of the guidelines is enclosed herewith.

Thereafter the old rates were restored. SAI had requested for enhancement of the diet and supplement charges vide DO letter dated 16.4.15. However, the supplement charges were not increased. SAI was advised to work out a policy for procurement of supplements and also to submit a detailed proposal containing justification based on fresh costing of the approved menus.

Sub: Utilisation of funds by the National Sports Federations (NSFs).

Sir,

As per the provision of the Sports Code, grants are given to the eligible National Sports Federations (NSFs) for various activities. The scale of assistance for each activity has been given in the scheme circulated vide letter No.6-6/1994-SP.III dated 14th August 2001.

2. With a view to streamlining the procedure and eliminating unproductive expenditure, it has been decided that while releasing funds to NSFs, elaborate sanction shall be issued by SAI indicating, inter-alia, item-wise details of permitted expenditure. In submitting the accounts, it is to be ensured by the NSFs, that a Chartered Accountant from the panel of CAG has certified that funds have been utilized as per the sanctioned amount. Consequently, there will be no need for SAI to obtain and scrutinize the vouchers in every single case.

Joint Secretary to the Govt. of India
OFFICE MEMORANDUM

Dated the 6th February, 2015

Sub:- Model Constitution for the National Sports Federations and their affiliates.

In the year 2011 Government issued the National Sports Development Code of India, 2011 (NSDCI), to be followed by the IOA and the recognized National Sports Federations (NSFs). Hon’ble High Court of Delhi vide its judgment dated 09-05-2014 in Writ Petition No.2310/2012 has upheld the validity of the Sports code as well as the authority of the Government to issue instructions for regulating the NSFs.

2. It has been noticed that there is no uniformity among the constitutions/bye-laws of the NSFs especially with regard to number of votes allocated to affiliated units, voting by proxy, voting rights to clubs, age and tenure limits in respect of office bearers of state/affiliated units in consonance with the Sports Code etc. In order to remove the inconsistencies and with a view to bring uniformity in the constitutions/bye-laws of the NSFs, a need has been felt to prescribe a Model Constitution for the National Sports Federations and their affiliates.

3. It has, therefore, been decided with the approval of the competent authority to engage Sh. S.K. Mendiratta, Legal Consultant, Election Commission of India to prepare a model constitution for the NSF & their affiliated units. While preparing the model constitution for the NSFs and its affiliated units. Sh. Mendiratta may take into consideration the following aspects:

(a) Presently, there is no uniformity in the number of votes allocated by the NSFs to the State / UT associations. Different NSFs follows different criteria. This needs to be rationalized.

b) Some NSFs such as Yachting, Golf etc, have given voting rights to the clubs whereas there is no such provision in the Sports Code.

c) Some NSFs allow the office-bearers of their affiliated units to vote in person whereas some others allow persons authorized by President and Secretary to vote in the elections. A uniform method needs to be adopted by the NSFs.

d) Age and tenure criteria is being enforced for the office bearers of the NSFs (President, Secretary and Treasurer has been defined as ‘office bearer’ in the Sports Code). But the same is not followed for the affiliated units. This needs to be enforced by the NSFs for their affiliated units through suitable provisions in their constitutions.

e) At present, Central Government employees can hold elective office in any National / State / District level associations for a period of one term or four years, whichever is less. This provision needs to be enforced by the NSFs for their affiliated units through suitable provisions in their constitutions.
In the Sports Code, 2011 it has been mentioned that each NSF shall include prominent sportspersons of outstanding merit as members of the respective sports federations on a tenure basis. The strength of such prominent sportspersons with voting rights should be a certain minimum percentage (say 25%) of the total members representing the federation. Several NSFs circumvent this provision and do not include prominent sportspersons. Hence, each NSF needs to have at least 25% of the total members of the executive body, with voting rights, from amongst prominent sportspersons who have taken part in the Open/Senior Nationals or have taken part in the international competitions of the sports discipline relating to that particular National Sports Federation. This provision needs to be applicable to State and District level associations also with the provision that such sportspersons should have taken part at least in the Open/Senior events of the State and Distt. level respectively. Suitable provisions in this regard need to be made in the constitution of the NSFs and their affiliated units.

The issue of proxy voting and voting through postal ballot needs to be addressed.

Any other issue that may be considered necessary for bringing uniformity in the bye-laws/constitution of the NSFs and their affiliated units. While preparing the Model Constitution, Sh. Mendiratta may take into consideration the special character of certain NSFs such as Yachting, Golf, Equestrian where the sport is club-oriented and there may not be a large number of State units.

4. Sh. Mendiratta will be paid a sum of Rs.50,000/- from the Scheme of Assistance to the NSFs. In addition, he may engage a person to carry out the typing and other miscellaneous work. An amount of Rs.10,000/- will be paid to the person so engaged by Sh. Mendiratta. The details of such person will be intimated to this office by Sh. Mendiratta in due course. The aforesaid amount of Rs.60,000/- is to be paid from the Scheme of Assistance to the NSFs.

5. Sh. Mendiratta shall submit the aforesaid model constitution/ bye-laws within 6-8 weeks of issue of this office memorandum.

6. This issues with the approval of Secretary (Sports) & IFD vide their D.No. 1296 dated 5.1.2015.
